REPORTS: (by officers present)

- **Treasurer –**
REPORT & EXECUTIVE SESSION: Treasurer Mark Pozniak said that a couple of timely items came up in the past couple of days that he will discuss in Executive Session. He said that he will present his reports at the next meeting. He noted that the Executive Session items involved one contractual and one personnel/contractual.
- **Chief –**
INCIDENTS: Fire Chief Tim O'Connor brought up a couple of notable incidents that have occurred over the past couple of weeks. He reviewed the called that involved a fire at Hudson River Housing and noted that standby for the Carnival was relatively uneventful. Next he described a serious MVA on the Taconic and the efforts put forth to aid the patients. Lengthy discussion followed regarding the incident.

TRAINING: Chief O'Connor said that state training is starting up again and noted that a fire police class that two LFD members previously started will be resuming. He said that Lt. Martell will be going to FLIP school August 2nd – 27th, to Montour in September for Fire Instructor II, and to Montour in October for Fire Officer II. He said the two new guys will be attending a Ropes class at the Fire Academy but he isn't sure about re-enrolling them in the Haz-mat class that was canceled/postponed due to low enrollment.

VEHICLES: O'Connor said that he didn't have a vehicle report from Lt. Champion, but he did report that when Premier Fire Apparatus was working on 47-13 the truck fell off of a jack onto the axel when the wheel was off. Discussion followed regarding the issues that resulted from the incident and Premier paying for the damages and clean-up. The Chief said that this brings up the topic of an in house mechanic and that the District is struggling to manage the fleet. Short discussion followed regarding the amount of time the District is without vehicles due to sending them out for repairs.

PERSONNEL: Chief O'Connor said that there is a new EMS applicant who is being sent for a physical then he reviewed the current volunteer staff levels.

COVID: The Chief reported that the IMT team had a meeting earlier that morning to discuss the level of precautions needed due to the current state of COVID in the area. Discussion followed regarding the current recommendations for vaccinated vs non-vaccinated staff.

SAFER GRANT: O'Connor said that FEMA contacted him just before July 4th, to get some more detailed information and he said it was a positive sign that there were actual humans looking at the application and asking questions.

ACCOUNTABILITY POLICY: The Chief said he sent out a draft accountability policy for the Board to review and make comments on before a final draft is ready for approval.

MUTUAL AID: Chief O'Connor informed the Board that the crew recently responded to an ambulance call in Glenham (near Dutchess Stadium) and noted that the EMS system in Dutchess County is completely broken, especially in the Southwestern corner of the county. He said that on the day of that call, for whatever reason, there were no more units in Orange County, Putnum County, or Dutchess County that would respond to this call. Lengthy discussion followed regarding the lack of elasticity in the EMS system in Dutchess County, the problems with going too often on Mutual Aid calls to areas outside our community, and the need to balance out helping neighbors against being abused by other municipalities that don't put in resources to their staffing levels. EMS Administrator Michael Benenati read a draft letter that he and the Chief recommend that the Board send to the County 911 regarding the District's response under Mutual Aid. Further discussion followed regarding the letter and how it would work in practice.

EXECUTIVE SESSION: The Chief said he had two personnel issues and one union issue for Executive Session.

- **EMS Administrator –**

AWARD: EMS Administrator Benenati reported that Lt. Thomas Martell was named Dutchess County ALS Provider of the Year and he will receive the award in September.

UPDATES: Benenati said that 47-73 was taken to New Jersey to have the punch list done and should be back early next week, then should be put in service shortly afterwards. He noted that he has been

OLD BUSINESS:

- **Repairs and Repair Requests** – Komorsky said that the room on the Southside of the building at Station 3 was flooded by all of the recent rain. He said that RABCO has been out to look at it and will adjust the repair estimate to repair that damage. Komorsky noted that the A/C compressor was also struck by lightning and is no longer working so Redemption Mechanical has been contact for a repair estimate and the insurance company has also been notified of the damage.
Komorsky brought up the ongoing issue with the outside electrical panel at Station 2 and said that an engineering firm has been contacted to prepare the scope of work to get it corrected.
O'Connor said that he met with Devens to look at the soffets at Station 3, some of the doors and the bathrooms at Station 2, and the oil/water separators at both Stations 1 & 3, and that he will come back with prices.
- **Recruitment & Retention** – Chief O'Connor reviewed the training plans and said that a training calendar has just been put out. He said that the calendar is geared towards the new hires but open to everyone because it is the training that needs to be done. Discussion followed in regards to engaging more with the volunteer staff on recruitment and retention and access to a town fire hydrant for pump training.
- **Old 47-13** – Secretary Le said she reached out to the agency in Tennessee but didn't receive a response on their interest. Discussion followed regarding the disposal of the vehicle and potential scrap value.

NEW BUSINESS:

- **Hurst Battery Powered Ram** – Chief O'Connor said that the ram is the final piece of the battery operated e-hydraulic tools on 55. He said the cost is \$9290.50 from MES (quote attached)
Upon a MOTION made by Pignataro and SECONDED by Burns, the Board RESOLVED to purchase the Hurst Battery Powered Ram from the preferred vendor, MES, for \$9290.50.
Burns – Aye, Piehler – Aye, Sassi – Aye, Pignataro – Aye, Komorsky – Aye. **Motion Carried.**

Pignataro asked if NYS HIRE Contract PC69026 meant it was on State Contract and Piehler confirmed that it did.

ABSTRACT: \$139,737.57

Upon a MOTION made by Pignataro and SECONDED by Burns, the Board RESOLVED to pay the bills for the month of June and part of July as per the abstract of \$139,737.57.
