**MINUTES**  
**BOARD OF FIRE COMMISSIONERS**  
**Regular Meeting – Tuesday April 23, 2024**

ATTENDEES: Chairman Marc Komorsky                      Commissioner Richard Sassi  
Commissioner Barry Ward                              Commissioner Robert Taft  
Commissioner Anthony Pignataro (*absent*)  
Chief Anthony Champion                              Secretary Bria Le

At 6:10 pm, Chairman Marc Komorsky called the Board of Fire Commissioners Regular Meeting to order for Tuesday, April 23<sup>rd</sup>, 2024 and led the Pledge of Allegiance. He asked everyone to remain standing for a moment of silence in remembrance of Life Member Hank Schroeder. Komorsky then welcomed everyone to the meeting.

**MINUTES:** - 4/09/24 Regular Meeting

Upon a MOTION made by Commissioner Sassi and SECONDED by Commissioner Taft, the Board RESOLVED to approve the regular meeting minutes from 4/09/24. Sassi – Aye, Ward -Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

**CORRESPONDENCE:**

There was none.

**ROOM USE REQUESTS:**

There were none at this time.

**OLD BUSINESS/UNRESOLVED ITEMS:**

- Station 1 Building Update – Commissioner Ward stated the detail design work is all done. He sent the color palettes for the colors that need to be selected. Chief Champion stated he will take care of that. Commissioner Ward stated they should schedule Greg Bolner (CPL) to attend the next meeting.
- Station 3 Storage Room – Commissioner Ward stated there is no new news.
- Station 2 Brick Pointing – Commissioner Ward stated there is no new news at this time.
- Physicals status update – Commissioner Sassi stated it is a work in progress and there is nothing new to report, that they need to meet on.
- Staffing Community Events – Commissioner Sassi stated he believed this was in the hands of the command staff at this point to see if they want to continue. Chief Champion stated they do have a list of events and he is working with Firefighter Henry on that to see which ones they attended in the past and what ones they plan on attending in the future. Chairman Komorsky asked if they spoke to someone in the parks department to get exact dates and Chief Champion said yes. Commissioner Sassi asked if they were also working on getting some of the volunteers involved in some of these events. Chief Champion stated they can send it out to the volunteers and have

them staff the ambulance. That is how it has been done in the past and he does not see a reason to change it. The Chief will see if the volunteers will staff the ambulance or they need a fly car. Chairman Komorsky asked if Sandy had all of the dates up through the Festival of Light and the Chief said yes. Commissioner Sassi asked if he had all the non-town events as well. The Chief stated he will reach out to Firefighter Henry to get all of those dates as well.

- ESO Reporting status update –Chief Champion stated that at the last meeting Commissioner Ward and Commissioner Pignataro stated they would help with gathering information. Chief Champion is working with Bria, Jeff, and Jenn to see what end products they get out of Firehouse and how they can eventually derive that out of ESO. Commissioner Ward stated that instead of having staff trying to find and create these reports, they should hire someone who can do report creation. There has to be an ATI application interface that can get the data that someone can program some reports for. Chief Champion stated they may consider looking into local colleges to get a data input individual to work through this and get the information together. Commissioner Ward stated his opinion is to deal with a professional entity who does this, because then they can also get support through a vendor. It is a technical service, and he does believe it should be handled that way. Chief Champion said that ESO said they did not build custom reports, but they do have some detail in online training to get reports.
- Grant update –Chief Champion stated the final Covid grant RTM paperwork has been filed. He has reached out to them about the original Covid grant that he is trying to get clarification on because he is being asked to file additional paperwork. The storm grant for the mutual aid to Orange County is a work in progress and no reply yet. He has reached out to the contact at Emergency Response, and they will be reaching out to their contact at the state. Chief Champion or a representative has been invited to one of those companies for their installation dinner. They want to thank Lagrange for coming and helping so that will be a good opportunity to ask about their reimbursement through FEMA. The MIG Grant has been sent to with Dutchess County Planning Department. They have not received any further communications yet. He had to submit a correction on the reimbursement schedule for the SAFER Grant and the individual in charge of that is out until the end of the week. Hopefully he will hear something on that next week.
- Station 2 Meeting Room Videoconferencing System – Chief Champion said it is underway and they should be having electric done for the screens. By the end of the week the electrical should be in for the AV cabinets and then they will be relocated. Within the next week or so Blue Dragon will be able to come in and install their components. Hopefully, by the next meeting they will be on the system with a seamless integration and less hiccups.
- Diesel Tank Accessories - Chief Champion stated he is happy to report they have been approved by the New York State DEC PBS. They have received a number and that page has been signed. There is a pamphlet on how to deal with diesel tanks if anyone wants to review it. They are continuing with monthly inspections. He has reached out to Greg Bolner with the number for an individual to come and survey the grounds to make sure that when they install bollards, they don't damage or hit any underground wires.

### BoFC Regular Meeting 4/23/24

Please note that this meeting was conducted in person at 504 Freedom Plains Road in Poughkeepsie, NY AND open for public viewing and/or listening via Microsoft Teams.

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

- HIPAA Compliance –Chief Champion stated he and Commissioner Sassi were supposed to have a meeting last week, but due to some unexpected events that took the bulk of the day, they will need to reschedule that meeting.
- County Mutual Aid/Liability - Commissioner Ward stated this should be tabled and removed from discussion for now.
- Building Repairs/Repair Requests – Chairman Komorsky asked if anybody had anything new repairs or repair requests. Commissioner Ward stated the Chief has given him a list of possible repairs and they will need to review it to see if things are repairable right now or need to go into the capital investment cycle. Chairman Komorsky asked if it would be ready to be presented at the next meeting and Commissioner Ward said yes.
- Commissioner Sassi asked if they have received the firefighter paramedic list that came out last week. The Chief has reached out to see what the status of that list is because he would like to review the firefighter/medic list, the County list, and the residents list to see the best course of action.
- Commissioner Sassi stated at the last meeting they spoke about cars from donations that went to the tow company. He asked what the reasoning is that they go to the tow company. He asked if people could still get a write off. Commissioner Ward stated that they used to take donations directly but the burden associated with that is that the district will have to take physical possession of the vehicle. That means they would have to be the ones to scrap it. Then they had to arrange to get it from the owner and then arrange to get it off of the location for scrapping. It is easier to have the tow company assume responsibility for it. It is easier for them to scrap and they do all of the transport to and from different locations. The fire district has the same access to the vehicle it always had without the overhead of having to manage registrations and doing all of the DMV work for salvage or scrapping. They can still do donation letters. Chairman Komorsky asked Secretary Le if that was done for the last donation and she said yes.

### **NEW BUSINESS:** -

- Out of County Training - Chief Champion stated he has two requests for Out of County training. One of the volunteers is requesting permission to attend the annual Fire Police Association meeting. It is May 21st at Yorktown Fire Department, which is part of the Putnam Northern Westchester Fire Police Association. They are also requesting a district vehicle.

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Taft, the Board RESOLVED to send volunteer Firefighter Richard Sassi to the May 21st annual Fire Police Association meeting at the Yorktown Fire Department. Sassi – Abstain, Ward – Aye, Taft – Aye, Komorsky – Aye. **Motion Carried.**

Chief Champion stated there was a request for an individual to attend a RAE Meter class on September 10 to September 12 in New Jersey. They are requesting a district vehicle and hotel. The cost of the class is \$1040. They have one certified RAE technician that does the calibration and servicing and this would give the district a second certified technician on the opposing group. This will cut down on the downtime of the meter. He would probably go down on the 9<sup>th</sup> and return on the 12<sup>th</sup>.

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Sassi, the Board RESOLVED to send Firefighter Skuza to the September 10-12 RAE Meter class in New Jersey to include a district vehicle, and hotel. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

- In County Training – Chief Champion stated there were a couple of members going to a Fire Officer 1 and Fire Officer 2 class and they wanted to express their appreciation for being able to attend. They did gather a lot of valuable information. Chief Champion continues to meet with Central Hudson about the gas emergency training scheduled for June 28<sup>th</sup>. He is also waiting to hear back from mutual aid departments to see if there is an interest from them as well. At the beginning of the month there was ASHER Train the Trainer attended by three individuals. It was a very good class, and they are very appreciative for that opportunity. There was also press coverage on the topic and one of Lagrange's lieutenants spoke with the press and gave some positive highlights of the program. They still intend to do a tabletop exercise and an ASHER incident in May and the mock drill is slated for August 19. Right now, there are two individuals that had taken ropes classes and they have finished those and it will be a benefit to their careers.
- Credit Card Policy Update – Chairman Komorsky stated that they each had a copy in their packets. He read the updated policy (attached). Chairman Komorsky asked if anyone had any questions or comments. There were none. Commissioner Ward stated the date should be added on the bottom so they know when it has been approved. Commissioner Taft asked if there was anything that individuals given credit cards are asked to sign agreeing to pay any charges that are not authorized.

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Taft, the Board RESOLVED to accept the credit card policy update as presented. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

- SCOTT RIT pack replacement quote – Chairman Komorsky stated a copy of this is also in everyone's packet. This is for three cylinder and valve assembly for \$1650 each for a total price of \$4950. For three RIT Pack Fast Attack 5.5 mediums at \$2850 each for \$8550. The total price is \$13,500. Commissioner Ward stated that they originally talked about four of these as replacement. He asked if they would be purchasing an additional one later and Chief Champion said not at this time.

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Taft, the Board RESOLVED to approve the purchase for the Scott RIT pack replacement per the quote (attached). Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

- Compressor System – Chairman Komorsky stated this quote is from MES. It consists of revolve air with attached storage, one unit for \$25,342.78. It is stationary with an auto cascade and auxiliary high-pressure, four bank auto cascade with the attached storage, and CGA adapter. There is a 7000 PSI five stage compressor 10 hp, 208-230 volt, three-phase, 60 Hz, CO dew point with cal kit for \$50,161.94. There are four ASME 7500 with valves and fittings, L-forged end, AB-spun end, color map yellow at \$5,230.60 per unit, which comes out to \$20,922.72. There is one no-rack four-cylinder NO HP storage hose as needed for \$555.79. The compressor install, site survey install,

BoFC Regular Meeting 4/23/24

Please note that this meeting was conducted in person at 504 Freedom Plains Road in Poughkeepsie, NY AND open for public viewing and/or listening via Microsoft Teams.

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

operate leak tests, train and perform air sample with a written report for \$3000. The total is \$99,983.23 with a shipping cost of \$1,750 for a grand total of \$101,733.23. Commissioner Sassi asked for the back story on this. Chief Champion stated that the compressor they have now has been out of service for the last several months. They had been waiting for parts to come in. This model was removed from manufacturing shortly after it was purchased, making it hard to find replacement parts. This replacement part has been on order for several months. The replacement part “problem solving item” they have been waiting for was supposed to come up from North Carolina but it is being used in another system similar to what Lagrange currently has, and they are also waiting for the manufacturer to send a part. They will then have to take it out and send it to LaGrange to see if that will solve this problem. The system is 10 years old and he does believe it is at its end-of-life. Commissioner Sassi asked if it was for their use solely and not for other districts and Chief Champion said that was correct. They have been fortunate enough to use MES, but they would have been able to go to Arlington as well. Commissioner Sassi said if needed, they could help each other out and Chief Champion said yes. Commissioner Ward stated typically everyone has their own. He also said that this most likely exceeds the equipment line for the budget so they may potentially have to go into the reserve funds for this. Commissioner Sassi asked if this was a State Contract Price. Chief Champion stated he would verify that. Commissioner Ward stated that typically these things are single source and State Contract so they should make sure they have the contract number for this. The Commissioners’ approval would be contingent upon the appropriate contract number being attached to the invoice. He can send an e-mail to Treasurer Pozniak when he gets back to review the numbers.

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Sassi, the Board RESOLVED to authorize the purchase of a compressor system as per the attached quote from MES, for a total of \$101,733.23 conditional upon this being State Contract pricing. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

Commissioner Ward stated that they were originally looking to buy a new compressor and the one from here would go to Station 1. His suggestion would be looking into seeing if the one from here is serviceable and whether or not they want to move it. Commissioner Ward understands it is difficult to get parts, but he is not sure if this one part needed is an anomaly and they can still get other parts. Chief Champion stated it may be fixable, but it may not. Commissioner Ward stated this purchase was originally planned for 2028. Chairman Komorsky stated they needed to know at what cost it would be fixable. Chief Champion stated he believes the part he was quoted for now was at \$3,200. Commissioner Ward asked what the expected lifecycle would be for this new part. Chairman Komorsky asked if there was a warranty on it. Chief Champion will look into it.

- Ambulance Re-Striping – Chairman Komorsky stated everyone had an invoice from DP Graphic. It is for partial red wrap with overlaid reflective stripping/lettering, digitally printed reflective decals, rear gold door badges, and prismatic reflective rear chevrons installed for \$5,215.00.

Upon a MOTION made by Commissioner Sassi and SECONDED by Commissioner Ward, the Board RESOLVED to authorize acceptance of the DB Graphic invoice in the amount of \$5,215.00. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye. **Motion Carried.**

- Provident Accident Policy – Chairman Komorsky stated this is in everyone's packet. He asked if everyone had a chance to review it. They offer three plan options as well as three different

BoFC Regular Meeting 4/23/24

Please note that this meeting was conducted in person at 504 Freedom Plains Road in Poughkeepsie, NY AND open for public viewing and/or listening via Microsoft Teams.

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

payment options. In 2021 the district decided to go with a three-year term with a \$125,000 death benefit prepaid for three years at \$15,106. The present plan is for the same \$125,000 death benefit with an annual payments of \$4,233.00 per year for a one-year plan or with three annual payments of \$3,970 for a three-year prepaid policy cost of \$11,492.00. The second option is for a \$150,000 death benefit of an annual payment of \$4,588.00 per year for a one-year plan or a three-year annual payment of \$4,305 for a total over three years of \$12,461. Plan two is \$175,000 death benefit with a premium of \$4,984 or a three-year annual payment of \$4676 for a total of \$13,536. Commissioner Sassi asked if this covers volunteers, careers, or both. Secretary Le said it covers both.

Upon a MOTION made by Commissioner Taft and SECONDED by Commissioner Sassi, the Board RESOLVED to authorize the renewal of the Provident accident policy to keep with the present plan of the \$125,000 death benefit and a three-year prepaid cost of \$11,492. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky - Aye.  
**Motion Carried.**

Chairman Komorsky asked if anyone had any additional new business. There was none.

### **REPORTS:** (by officers present)

- **Treasurer Pozniak**

No report.

- **Chief Anthony Champion**

Notable Incidents – Chief Champion stated that last week they had a head-on car accident on Titusville Road. It involved extrication and required shutting the road down for approximately 45 minutes. All the occupants walked out of the hospital 24 hours later. Last week there was a structure fire at approximately 6:30 AM right before shift change on Creekside. He wanted to commend personnel arriving on scene. They had a lot of fire on arrival and quickly extinguished it. The occupants were safety evacuated prior to their arrival. Chairman Komorsky asked if vehicles were placed in the proper locations. Chief Champion said the vehicles were in good positions. No official report has been given for the cause of the fire. As this was right at shift change there were 16 firefighters on the scene. Aside from mutual aid called in for tankers, there was very little mutual aid used for interior firefighting. Chairman Komorsky asked how long the operation took and Chief Champion stated they were there from 6:30 AM until approximately 12 noon. Cleanup was concluded by 1 PM. It was a split-level house with approximately 4 different levels and everyone did a great job. They do have a problem with fire chasers who promise to come in and board up the property for the owners and then when the owners try to submit to insurance, insurance will not pay, as they didn't pre-approve it. The County Sheriff is on board with correcting the actions of those individuals.

Updates - LaGrange went mutual aid to Union Vale today for a garage fire. Their engine arrived on scene at the same time Chief Champion did. They all worked together and kept the fire to the garage for a nice stop. The system worked well and they were backfilled quickly. Commissioner Sassi was happy to see the commercial units stepping up and responding so quickly as well. Chief Champion is waiting on return phone calls for the quote for the lock replacement.

### BoFC Regular Meeting 4/23/24

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

The flooring has been replaced in the second floor offices and it's wonderful. He is looking to get some file cabinets and furniture so there will be quotes coming in for those.

The mechanical list has been uploaded to the Teams folder for tonight's meeting. There are a couple things to bring up off of that. This is the second time a U-bolt was broken on one of the new fire apparatus so they are trying to see why. The Chief said it may be from going through the roundabouts. Chairman Komorsky asked if they could call the manufacturer and see if they are having these problems with other vehicles. The Chief said he could do that. Most of the fleet has had its regular service and oil changes. There is an injector issue on 47-55 they will be looking to replace. Chairman Komorsky asked how they normally handle that type of an issue. The Chief stated Sean is trying to see if they can get an injector. They did say they had the ability to repair it, so they are trying to make sure the truck is not out of service for an extended period of time. The Chief is still waiting to hear back from Senator Rolison's office. He did not have a chance to call him last week. He will reach out this week. This is in regards to the water rescue during the high water issues last year.

Membership Committee – The Chief is waiting to hear back from the company on members that the Membership committee interviewed. At the next meeting they should be voted in, and then they will need to have their physicals and background checks.

EMS - Chief Champion is slated to have a meeting later this week with Dr. Murphy to get her signature on forms for five individuals for their recertification for CME's. On a separate note, the Chief has samples for potential agreements with a new medical director. He is hoping to have something together to send to legal soon.

Safety Committee Reports - Chief Champion does not have anything from the Safety Committee at this time. There are some general safety review submissions in the Teams file.

Chief Champion said the Civil Service list was certified on the 19<sup>th</sup> of April.

Chief Champion is planning on going away out-of-state for two weeks starting May 5<sup>th</sup> to the 15<sup>th</sup>.

Executive Session – Chief Champion has three personnel issues for executive session.

- **Department** – Chairman Komorsky stated there was nothing.
- **Union** – There was nothing to report.

**ABSTRACT:** \$56,593.41

Upon a MOTION made by Commissioner Taft and SECONDED by Commissioner Ward, the Board RESOLVED to pay the bills for the month of April as per the abstract for \$56,593.41. Sassi – Abstain, Ward– Aye, Taft– Aye, Komorsky – Aye.

**Motion carried.**

**PUBLIC COMMENTS:**

At 6:57 PM, Chairman Komorsky opened the meeting to public comments. There were none.

**BoFC Regular Meeting 4/23/24**

Please note that this meeting was conducted in person at 504 Freedom Plains Road in Poughkeepsie, NY AND open for public viewing and/or listening via Microsoft Teams.

## LAGRANGE FIRE DISTRICT

504 Freedom Plains Rd • Poughkeepsie, NY 12603

At 6:57 PM, Chairman Komorsky closed the public comment section of the meeting.

### **EXECUTIVE SESSION:**

At 6:58 PM, upon a MOTION made by Commissioner Sassi and SECONDED by Commissioner Taft, the Board RESOLVED to go into Executive Session to discuss three personnel issues from the Chief, one personnel issue from Chairman Komorsky, two personnel issues from Commissioner Ward, and two personnel issues from Commissioner Sassi. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky – Aye. **Motion carried.**

### **OPEN SESSION:**

At 8:26 PM, the Board resumed Open Session.

Chief Champion stated at the last meeting the Board made a motion to accept the letter of resignation from the sitting MTO lieutenant with an effective date of April 28. He has changed his effective date to Saturday, April 22.

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Taft, the Board RESOLVED to adjust the resignation date to April 22, 2024, as per conversation between the firefighter and the Chief. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky – Aye. **Motion carried.**

Upon a MOTION made by Commissioner Taft and SECONDED by Commissioner Ward, the Board RESOLVED to appoint a hearing officer as per the attached resolution. Sassi – Aye, Ward – Aye, Taft – Aye, Komorsky – Aye. **Motion carried.**

**PREPARE 5/14/24 MEETING AGENDA:** Secretary Le will prepare this.

### **ADJOURNMENT:**

At 8:30 PM, upon a Motion made by Commissioner Ward and SECONDED by Commissioner Taft, the Board RESOLVED to adjourn the meeting. Ward – Aye, Sassi – Aye, Taft – Aye, Komorsky – Aye. **Motion carried.**

Respectfully submitted by Julie Beyer on behalf of Bria Le – District Secretary  
***Approved by the Board of Fire Commissioners on 5/14/24***

## Credit Card Policy:

The LaGrange Fire District shall maintain the following Credit Card(s):

Visa –Tompkins Trust (Mahopac National Bank)

Wright Express (WEX) Fuel Cards

District credit cards are issued to and may only be used by the following district officials and employees:

Fire District Secretary Bria Le as the Authorized Officer & Fire District Officers: Chief, Deputy Chief, Lieutenant (Training)

1. The Fire District may issue District credit cards to the Chief, Deputy Chief, Lieutenant (Training), and District Secretary in their individual name and may revoke same at will. In addition, the District Bookkeeper may be in possession of a District credit card to be used as needed for travel, postage or any other Commissioner approved expense.
2. District issued credit cards are to be used ONLY for official Fire District business.
3. All receipts for credit card purchases must be attached to a Fire District Purchasing form and submitted to the Board of Fire Commissioners for payment approval. Receipts must detail all charges including the name of the individual who incurred the charge, the reason for the charge and the amount of the charge.
4. District issued credit cards are not to be used for the purchase alcoholic beverages.
5. Personal Responsibility-the individual incurring the costs who fails to comply with District procedures will be personally responsible for all sums charged. Any charges made on District credit cards that do not have proper supporting documentation, the individual, not the district, will pay detail.
6. If a charge is determined to be an inappropriate or unauthorized Fire District charge, or if adequate documentation of the charge is not submitted to show it to be an authorized District charge, the individual responsible for the charge shall pay said charge within thirty days of the receipt of invoice from the credit card company.
7. All credit card users have the responsibility to notify both the Credit Card Company and the District Treasurer immediately, in the event the that the card is lost or stolen.
8. The Tompkins Trust Bank service number is 1-866-552-8855.
