ATTENDEES: Chairman Marc Komorsky Commissioner Barry Ward  
Commissioner Vincent Tierney Commissioner Anthony Pignataro  
Commissioner Robert Taft Chief Anthony Champion  
Deputy Chief Scott Merritt Deputy Chief Bryan Zittel  
Treasurer Mark Pozniak (via Teams)

At 5:33 PM, Chairman Marc Komorsky called the Board of Fire Commissioners' Special Meeting to order for Tuesday, April 15<sup>th</sup>, 2025, then led the Pledge of Allegiance. He thanked everyone for attending.

### **RESCUE TRUCK PERMISSIVE REFERENDUM:**

Chairman Komorsky read the proposed resolution to purchase a heavy rescue emergency vehicle (full resolution attached).

Upon a MOTION made by Commissioner Ward and SECONDED by Commissioner Pignataro, the Board RESOLVED to adopt the resolution as read by the chairman. Pignataro – Aye, Taft – Aye, Tierney – Aye, Ward – Aye, Komorsky – Aye.  
**Motion Carried.**

Brief discussion followed regarding the length of the vehicle. Chairman Komorsky asked if anyone had any questions about the Rescue One Custom Heavy Rescue- Quick Spec Contract Proposal. Treasurer Pozniak noted that with this proposal the District will be paying throughout the process instead of one check handed over upon the delivery of the vehicle as has been done with past purchases. He said there were two things that were discussed with the attorney – changing the valid period from 30 days to 45 days and changing the language to lock in the price. Commissioner Ward said that the Attorney Hekle noted that there may still be a price change based on the Force Majeure clause. Treasurer Pozniak said that he wanted the Board to be aware that the price could go up because of it. Commissioner Ward suggested they wait until the next meeting and discuss it with the attorney before signing an agreement. Discussion followed regarding what could be done control the District's risks and when the contract should be signed.

### **STATION 1 BUILDING UPDATE:**

Commissioner Ward said they were going to talk about the asbestos testing at Station 1 and he asked CPL to send the report to Attorney Hekle and have a legal review with one of their OSHA attorneys to come back with recommendations. Commissioner Tierney commented that they found the same tiles in the old bar room and with the abatement they took them out, and the same exact tiles in the kitchen and same exact tiles in the foyer and now they are waiting. Chairman Komorsky said his recommendation is to not touch anything and tell everyone not involved in the construction to not touch anything in there until the report comes back.
